**AGENCY:** Census Bureau, Department of Commerce

**ACTION:** Notice of Public Virtual Meeting

**SUMMARY:** The Census Bureau is giving notice of a virtual meeting of the National Advisory Committee (NAC or Committee). From August 17 – November 15, 2022, the Census Bureau posted a Federal Register Notice to seek input from the public to develop and implement strategies to improve participation in the 2030 Census. During the NAC Spring 2023 meeting, the Committee was asked to evaluate the comments received and provide the top ten research ideas for four of five categories, which included: technology, new data sources, how we contact respondents, and respondent support services.

During this virtual meeting, the Committee will provide the top ten research ideas for the comments related to the fifth category, reaching and motivating everyone. Last minute changes to the schedule are possible, which could prevent giving advance public notice of schedule adjustments.

**DATES:** The virtual meeting will be held Wednesday, July 26, 2023, from 1:00 pm to 4:00 pm EDT

**ADDRESSES:** Please visit the Census Advisory Committee website at <https://www.census.gov/about/cac/nac/meetings/2023-07-special-session.html> for the NAC meeting information, including the agenda, and how to join the meeting.
